During the next two months, we need to review our new plan and make some decisions on What our most important needs are before **Margaret Kish and her team** come to our **November 18th** meeting. They will work with us in preparing our grant application for Pima County Neighborhood Reinvestment Funds. One of their requirements is to have a major involvement of neighbors working together on their projects. We were delighted to see some new faces at our last meeting and invite everyone to attend the next meetings.

We did submit our grant proposal to the state competition for Transportation and pedestrian enhancements through PAG. Many thanks to Jerry Partin, and to Carol Clark and Kathleen for their support in this endeavor. Thanks also to **Henry Jacobson** and others who attended our Presentation.
